

DEPARTMENT OF THE ARMY  
TASK FORCE 20  
1930 14th ST  
FORT POLK, LA 17459

**MEMORANDUM OF UNDERSTANDING**

15DEC2025

**TO:** ALL PERSONNEL

**FROM:** COL J. FORD, COMMANDING OFFICER, TASK FORCE 20

**SUBJECT:** RULES AND REGULATIONS

**1. APPLICABILITY.** This memorandum applies to all Department of Defense personnel, Other Government Agency (OGA) personnel, and Civilian contractors assigned to Task Force 20.

**2. SCOPE.** This memorandum outlines the entry requirements, expectations, rules, and regulations to which all personnel assigned to Task Force 20 are subject.

**3. PROFESSIONALISM.** All members of Task Force 20 are required to conduct themselves professionally at all times. Failure to act in a manner befitting their rank and position may result in disciplinary action.

**4. SPEECH.** Because this unit is based in the United States, which protects the freedom of speech, and because censorship of any kind is morally wrong, no member of Task Force 20 will ever be censored or punished for any speech of any kind. Furthermore, if any member of Task Force 20 takes issue with the protected speech of another member, they have three options available to them.

1. Get with the offending member and work things out.
2. Get over it.
3. Get out.

**4. REALISM.** All members of Task Force 20 are required to prioritize immersion and realism while in-game or conducting their duties. Immersion and realism shall always be given priority over gameplay.

**5. MODS.** No member of Task Force 20 shall join any Task Force 20 owned Arma 3 gaming server with mods loaded that are not Task Force 20 Server Pack dependencies or approved client-side mods. Any member of Task Force 20 who violates this regulation may be subject to disciplinary action up to and including immediate discharge from Task Force 20 with a dishonourable rating.

**6. GAMEPLAY.** All members of Task Force 20 are required to adhere to the following gameplay rules and limitations.

1. First-person view gameplay.
2. Advanced flight model.
3. No visual enhancing software such as "ReShade."

**7. AGREEMENT.** All members and applicants must agree to the entry requirements, expectations, rules, and regulations mentioned above. Failure to agree will result in immediate application denial or discharge from Task Force 20.
